Herndon Middle School and PTA Newsletter

Principal's Corner

Dear Parents/Guardians:

The faculty, staff and students at Herndon Middle School extend our sincere thanks to the PTA Board and all the parents, family members and friends who have supported us this school year. Your hard work and dedication have made the 2007-2008 school year a successful one. The HMS family is grateful for the time, effort and resources you provided to our school to keep academic achievement the primary focus of the school.

With several weeks of school still remaining, we are working to ensure that your child has a positive and productive completion of the school year. Teachers will continue to challenge students with school work through the last week of school and our expectations for student performance, behavior and attendance will remain as high as ever. During the final weeks of this school year, continued support is essential for a smooth closing and transition to a new principal.

As our school year winds down and with the revised date for the last day of school, we are changing and rearranging many activities for the students. Evening activities at this time of the year involve extra efforts from all of us, staff and families, so make sure of the dates and times (see calendar) and please pick up students promptly when the event is over.

This year, Fairfax County Public Schools is providing a summer program for students who need additional academic support. We will be hosting a remediation program at Herndon Middle School this summer. The program participation is limited to only 105 middle school students. Recently, our teachers, counselors, and administrators have developed a list of potential students who could benefit from the summer remediation program and we are in the process of notifying parents that their child has been recommended. The summer remediation program is designed to run only three weeks in duration and will focus on mathematics and literacy skills.

I would like to thank all of the parents and family members for their continued support during my twelve years as principal of Herndon Middle School. I will always remember your kindness, your children, and this great community. I hope you have a restful summer, with just the right amount of fun, sun, and excitement. Remember, always treasure the time you have with your children. I enjoyed every moment and appreciate the privilege of serving as the Herndon Middle School principal.

Best wishes to all of you.

Sincerely,

Frank G. Jenkins, Ed.D.

From Your PTA President

We're in the final stretch.....

The school year is winding down and by the time you read this, our kids would have finished their SOLs. What a great year it has been! We still have one big event left and that is the 8th grade dance to be held on June 13th.

For those of you with 8th graders, it is a bittersweet time as you look forward to Herndon High School and say goodbye to the quick 2 years at HMS. For those of you with 7th graders, this is the big transition summer. They come back as 8th graders and more confident than ever. For those of you with rising 7th graders, we look forward to having you join the HMS family next year!

Thanks to all who have come to our monthly PTA meetings. I trust you found them informative. We had a wonderful presentation on May 7th from the FAIRGRADE organizers who discussed their findings regarding the current grading scale in Fairfax County. If you were not able to attend this presentation, the Power Point slides are on the HMS PTA website. I highly recommend you taking the time to review their data. It is truly eye-opening.

The PTA accomplished many of its goals this year, and that would not have been possible without the collective efforts of so many of you. To those of you who I have not thanked in previous newsletters, I would like to do that now. First and foremost, I must thank Lee Fortna, the PTA Immediate Past President, for all of her hard work and support, her willingness to always help, her ever-present cheerful smile, and for giving me the confidence I very much lacked. Lee, you are amazing. I also wish to thank the PTA officers, Kerri Gilmore Mesiah, Carol Sinclair and Diana Fields, for working so hard to help our PTA run smoothly. It's been a pleasure. A big THANK YOU goes out to Jeanne Loveland who diligently worked long hours to produce, staple and label an informative and professional newsletter. I also want to thank Rita Ahearn and Elaine Vollaro who helped with all the library projects and the Book Fair; Amy Peterson who helped organize all our wonderful volunteers for Picture Day, Health Screening, Career Day, and the Magazine Drive; Lesley Aschenbach who recruited our PTA members; Sue Altschuler, Joan Indyke, and Lisa Fagan, the Chorus, Band and Special Education liaisons, respectively, who kept us informed; Kathy Pursifull, the PTA Website coordinator, who did an outstanding job updating our PTA website; Cindy Wei, our Superintendent's Council representative, who relayed information to us from Dr. Dale; Lesley Aschenbach and Liz Rearden, our 8th grade dance coordinators, who have been working hard to make this event special; and Courtney and Lindsey Linden, who did a great job coordinating the HMS vs. Langston Hughes Basketball game, where everyone had a fun time. And, finally, I must also thank our parent liaisons - 7th grade - Kathy Blystone and Karen Temple, and 8th grade - Ann Marie Ruskin and Lesley Aschenbach, who have done an outstanding job communicating with our families about HMS events. Thanks to all of you and those who helped on your committee.

A GREAT BIG THANKS goes to our Faculty Rep, Ms. Bobby Biddle, who is such an important member of the PTA team and helps us in countless ways to make HMS a better place. And THANK YOU to the administrative staff for all of your efforts throughout the school year.

And, of course, much thanks goes to Dr. Jenkins for his support to the PTA. Dr. Jenkins was always the first to arrive at the PTA meetings and the last to leave! It was a pleasure working with him and we appreciate all that he did for the PTA. He will be greatly missed.

(Continued on next page)

PTA President (continued)

I want to also thank the 359 members who joined the PTA this year. It is so important to stay involved with your children's education, and we appreciate your support. Also, the GO FOR THE GOLD fundraiser that ran all year brought in \$5,120 which was used for Learning Enrichment and Principal's Fund, and the many events and activities that the PTA does for HMS. Thanks to all who donated!!!!

I have enjoyed working with the HMS PTA this year, and I look forward to returning with the current officers next year. It has been a very rewarding experience for me to get to know so many of you (both parents and staff)! Thanks again for everything! Our final PTA meeting will be June 4th at 7pm in the Library. All are welcome to join us!

Please remember that we will need volunteers to help us stuff Back-to-School packets in August, so watch your emails and check with the HMS office in early August if you are available to help.

Good Luck to the Class of 2012 as you move up to Herndon High School!!!

Have a safe and relaxing summer and take care of your adolescents – Keep them safe and monitor their Internet use this summer! We'll see you back in the fall!!!

Herndon vs. Langston Hughes Basketball Game

The basketball games against our arch rival, the Panthers of Langston Hughes MS, were amazing thrillers. The 7th grade team led by guard Ryan Griffin won a resounding victory. Other standout players like Kent Auslander and Cameron Reynolds pressed the charging Panther players into turnovers that the rest of the team converted into easy baskets. Every seventh grade player contributed tremendously and Langston once again was defeated at home.

The 8th graders also outperformed the Langston side. Led by the defensive play of Matt Smith and the inside game of Marques Berry, the Hawks were untouchable. Oray Nicolai played excellently and his deft moves pleased the crowd. They helped lead the team to victory.

The teachers, one year older and with sore muscles, battled hard. In the end, the quicker faculty of Langston Hughes prevailed. At the end of the evening, after icing bumps and bruises, the Hawks sailed to the overall victory against the Panthers winning 2 out of 3 games.

Our teams were cheered on by the HMS cheerleaders and the HMS "pep band" led by Ms. Bonneau. Both cheerleading squads performed at half-time of the 7th grade game. **Go Herndon!**

Representing the Herndon Hawks were:

7th Grade Team: Sean Arney, Matt Arace, Kent Aulander, Ky Gilmore Parrott, Ryan Griffin, Andrew Hatch, Amelia Johnson, Keenan Jordan, Conner Keesling, Callie Pfeffer-Hahn, Erik McLeod, Tori Morris, Cameron Reynolds, Mayumi Shill, and Steve Skorcki.

8th Grade Team: Jenna Aschenbach, Alex Bednarek, Marques Berry, Elena Currence, Dean DerSimonian, Brian Fortna, Jack Hamrick, Elliot Johnson, Elijah McCarthy, Patrick McLaughlin, Ashkan Naderi, Oray Nicolai, and Matt Smith.

Faculty: Dean Ciccirelli, Stephanie Haley, Kent Harris, Kevin Harris, Jonathan Hudson, and Mike Thomas.

Cheerleaders

7th Grade: Macie Huring, Taty Harkey, Ashley Lightner, Maragaret Schaaf, Lisa Sheffer, and Rebecca Spriggs. **8th Grade:** Kiera Andrews, Dominique Wallace, and Mikala Wallis.

HMS RoboHawks Take First

Herndon Middle School's RoboHawks Lego Team took part in the first Fairfax County Lego robotic competition held at Robinson High School on May 17th. Twenty four middle school teams turned out for an exciting day as robots and students were put through their paces.

The competition involved students collecting colored ping pong balls and delivering them to the corresponding areas on an 8'x 4' playing field. Every team had a different robot and programming solution to the challenge. Herndon's team won their division, beating 11 other teams and gaining the highest overall score of the competition.

The HMS RoboHawks robotics team includes: Nick Black, Megan Lavery, Mark Lemmon, Maggie Middleton, Dominic Napoleon, Alex Polk, and Nathan Smith.

HMS After-School Programs

This year we focused on Character Education with our after-school programs. We bought character education workbooks for our students involved in our after-school sports activities. We reviewed a different character trait each week as a warm-up before they started to play. Students took part in interactive discussions about different character traits and how to practice them in their everyday lives.

The After School Programs have been very busy at HMS. The Basketball League competed in a three on three tournament. The team

of Marques Berry, Oray Nicolai, and Pat McLaughlin's emerged as the strongest team. The Soccer League enjoyed indoor soccer. Victor Jovel scored numerous goals. The Cricket League, a new program, has caught on. The Survivors and the DJ Club remained popular activities.

At the Herndon Community Center, the After School Program is offering free weight room and fitness training on Tuesdays. The HCC trainers have been encouraging more exercise and many students have benefited. Soccer is also played on Tuesdays and basketball is always offered. Abdi Yusuf had been a stand out.

If you have any questions concerning our after-school programs please contact Michael Thomas at 703-904-4834.

HMS Band News

On May 2nd, the Concert and Symphonic Bands performed at the "Musicale" music festival in Williamsburg, VA. After the students completed their performances, they went to Busch Gardens Amusement Park to enjoy several hours of fun and to participate in a Music Awards Ceremony. This very special event is a great band competition experience and the kids had a terrific time!

The Concert Band received an "Excellent" rating and placed 2nd in Division 1C. Symphonic Band was rated "Superior" and placed 2nd in their Division, 1D. Denise Lee (flute) and Caitlin Williams (trumpet), both players in Symphonic Band, won Outstanding Soloist Awards. The Symphonic Band percussion section was awarded a special trophy for their incredible performance in the piece "Blanco Canyon Sketches", which features them.

All of the HMS bands performed wonderfully in the Spring Band Concert on May 13th. The final event of the year will be the Band Celebration and Awards Ceremony on June 10th at 7:00pm. This event

will feature a culminating performance by our Jazz Band, along with awards presentations and a reception. Invitations have been sent home and replies are due June 4th. Congratulations to the entire band program for yet another extremely successful and musical year!

HMS Choir Notes

Congratulations are in order! All four HMS Choirs participated in the *Festival!* Competition on May 2nd in Williamsburg then went to a fun-filled day at Busch Gardens. The HMS Mixed Choir took a "Superior" rating and a 5th place trophy, while the HMS Advanced Women's Ensemble also received a "Superior" rating and walked away with a huge 2nd place trophy!

The beautiful trophies and plaques were proudly displayed at our annual Spring Chorus Concert which was held on Thursday, May 15th. All the choirs sang beautifully, and made Ms. McCann very proud!

Special congratulations to program soloists: Abigail Michael, Ella Rutanen, Nicole Ollerhead, Ashleigh Dixon, Lillie Hicks, Jonelle Bonny and Megan Lavery. Also, kudos to Emma Withers who "guest conducted" the popular "Down to the River to Pray" from the movie "O Brother, Where Art Thou?" Colin Curtis assisted on wood blocks, while Cameron Copland, Zach Taylor, Brandon Timbrook, Cody Riggs and Conlan Miller backed up the Men's Choir on real-live kazoos.

Thank you to all the parents who provide their ongoing support and enthusiasm to the HMS Choral Program. Without your help this year would not have been the success that it has.

Special thanks go to Mrs. Vanessa Jackson for supporting us and singing with us! Also thanks to Claire Simanski, the HMSCPA board (Diana Fields, Sue Altschuler, and Carol Lavery), and Lynda Jacobus. And finally special thanks to Marilyn

Daines and our wonderful and accomplished accompanist Shauna Leavitt, without whom the Williamsburg trophies may not be in our hands today!

We have had a great time and are making beautiful music. Thank you for the privilege.

Ms. McCann

HMS Orchestra News

Congratulations to the HMS Orchestras on their success at Busch Gardens! The HMS Symphonic Orchestra achieved great success at Busch Gardens on their annual Spring Trip on May 2nd as they earned a "Superior" rating and took 2nd place in a field of very tough competitors. The Concert Orchestra also earned a well deserved "Superior" rating and placed 4th while performing their toughest program of the year. Afterwards, the students had a relaxing and enjoyable day at Busch Gardens.

HMS Orchestras performed their annual Spring Concert on May 21st.

College Partnership Program

First, I would like to thank Dr. Frank Jenkins, Charles Thomas and the Delta Academy Ladies for all they have done this school year to support the mission of the HMS College Partnership Program. Dr. Jenkins contributed money for pizza; Mr. Thomas contributed monthly snacks and provided a bus for our field trip; and the Delta Ladies contributed time and money to help make this year's program successful.

This year I would like to congratulate Danith Suraweera for being accepted into the College Partnership Program's Summer Academy Program from June 23 to July 2 at Longwood University in Farmville, VA. "The mission of the College Partnership Program (CPP) Summer Academy is to provide students with intensive academic, social and emotional preparation to facilitate their successful transition to the next grade level." Congratulations Danith and good luck in high school!

Three other CPP members also need to be congratulated this year. These young ladies are also members of the Delta Academy, a program developed by the Delta Sigma Theta Sorority that instills in young women the values of maintaining good grades, social skills and community service. Herndon Middle Literacy

The final activity for Herndon Middle Literacy will be the Battle of the Books on Wednesday, June 4 in the Media Center after school. We have extended the deadline so the competition will be held after SOL testing. The school teams have been practicing with their members and sponsors and this will be an opportunity to showcase their knowledge of the assigned books.

The Reading Committee would like to thank parents, community members and the Reston Regional Library for their donations to our classroom libraries. Have a great summer and Read! Read! Read!

Summer Reading Assignment

Every student who will be entering grades 6 through 12 in the fall must read at least one book over the summer. The follow-up assignment for rising 7th and 8th graders will be determined by each HMS English teacher once school begins.

The summer reading lists contain suggestions for reading; however, a student may read any other book that is approved by his or her parents. The Grade 7-8 Summer Reading List can be found on the FCPS website at www.fcps.edu/DIS/readlist/78.htm.

From the Library

All library books are due back to the library on or before **June 3rd**. Please help your student locate and remember to return their library books. If your student receives a notice about

overdue materials that he or she believes to be in error, please have them speak with a library staff member. Thanks so much for your help.

Some of my favorite reads from this school year may make good summer reading selections:

- Elsewhere* by Gabrielle Zevin
- The Fire Within* by Chris D'Lacey (two sequels: *Icerefire* and *Fire Star*)
- Enthusiasm* by Polly Shulman
- True Talents* by David Lubar (sequel to *Hidden Talents*)
- Schooled* by Gordon Korman
- Book of a Thousand Days* by Shannon Hale

Here are some of my favorites from the FCPS Suggested Summer Reading List:

- Nonfiction:** *Growing Up in Coal Country* by Susan Campbell Bartoletti
- Good Brother, Bad Brother: The Story of Edwin Booth and John Wilkes Booth* by James Cross Giblin
- Historical Fiction:** *Day of Tears: A Novel in Dialogue* by Julius Lester
- Mary, Bloody Mary* by Carolyn Meyer
- Science Fiction:** *The House of the Scorpion* by Nancy Farmer
- Adventure:** *The Wreckers* by Iain Lawrence
- Biography:** *My Life in Dog Years* by Gary Paulsen
- Bull's Eye: A Photobiography of Annie Oakley* by Sue Macy

This year I've noticed many more students sharing recommendations with others and finding books they really love. So ask your friends: "What have you read lately that is good?"

Thank you to all of the dedicated parent volunteers that made the library a neater, more welcoming and user-friendly place to be this year. We cannot thank you enough.

Have a relaxing and safe summer and keep reading!

Notes from the HMS Clinic

Virginia Wilkinson, MSN, RN, NCSN
School Public Health Nurse
Mercy Caloyannides,
Clinic Room Aide

Some reminders for spring and the end of the school year....

Parents whose students have medications in the clinic: You will be getting a reminder in early June to pick up meds from the clinic. We urge you to make time for this end of year task. Please note that we **cannot** keep medicines in the clinic during the summer. If they are not picked up, they **will be destroyed**.

The Fairfax County Health Department reminds you to FIGHT THE BITE! We have had a wet spring. Please be aware that the most effective way to control mosquitoes is to eliminate or treat the standing water where mosquitoes lay their eggs and their larvae live and grow. Some things that you can do:

- o Clean leaves and debris out of gutters frequently to ensure that water flows freely and does not accumulate.
- o Buckets and watering cans should be stored indoors or turned over.
- o Cans, containers or trash around your home should also be stored, recycled, or disposed of. Or drill holes in the bottom to allow

- drainage or empty them after rain showers.
- Tires should be recycled or stored where they won't collect rainwater.
- In areas of your yard where water puddles or does not drain properly, the area may be filled with dirt or other landscaping material. These areas may also be treated with a larvicide as needed.
- The water in bird baths should be changed or flushed out using a garden hose at least once a week.
- Protect yourself:
 - Choose and use a repellent that contains one of these active ingredients: DEET, picaridin, or oil of lemon eucalyptus. Always follow label instructions
 - Wear long, loose, and light-colored clothing to avoid mosquito bites.

Be safe from bites this summer.

8th Grade Parents and Guardians,

Now that our kids have almost completed their middle school years, the "news" for 8th grade parents is all about high school.

Parent Email Database: If you have not received parent emails this year, and your child will be attending Herndon High School next year, be sure to send your email address to AMR9000@aol.com to be included in the Class of 2012 parent database. Emails will be sent periodically throughout the year. Those on the 8th grade parent list will automatically be transferred and will be added to the Herndon High School full parent database as well.
